## **Phase Three Testimony Summary**

**Rick Miller, City of Casa Grande Planning and Development Director, AICP**

### ***Education and Experience***

Mr. Miller will discuss his Bachelor of Science Degree in Geological Engineering from South Dakota School of Mines and Technology. In addition, Rick will provide a brief overview of his experience in the planning discipline, including his approximately fifteen years as Planning and Development Director for the City of Casa Grande and his decade of service in the City of Rapid City Planning Department. Rick will also discuss his departments general public notification obligations relating to development within the City of Casa Grande.

### ***Participation in the SRP Line Siting Process***

Rick will provide testimony outlining his involvement in the SRP line siting process as it related to Area B. Rick will testify he attended several SRP open house meetings and other meetings with SRP representatives and will discuss City input on proposed alignments and each proposals potential impact on the City of Casa Grande.

### ***Development of City of Casa Grande Alternative Alignment***

Rick will discuss City concerns relating to the SRP proposed alignments. Among the concerns, Rick will discuss the safety, aesthetic, economic and development issues raised by the SRP proposed alignments. Second, Rick will discuss City of Casa Grande efforts to identify, analyze and prioritize potential line route alternatives from those proposed by SRP.

Specifically, Rick will discuss the evaluation criteria utilized by City of Casa Grande staff to arrive at the Hanna Road alternate alignment. These include, but are not limited too:

- Improved economic opportunities along the Interstate 8 and northern gateways into the City of Casa Grande;
- Alleviation of safety concerns;
- Sight line enhancement from Interstate 8 towards City of Casa Grande and from City of Casa Grande south;
- Cost factors;

- Flood control issues on south side of Interstate 8; and
- Lack of existing development and future development limitations for areas south of Interstate 8 due to the utility barrier presented by the Interstate.

### ***Notice and City Sponsored Open House***

The City of Casa Grande contacted Fidelity Title of Arizona to assist the City in identifying all property owners within a ½ mile of the City proposed alternate alignment. Once the list of the addresses of affected property owners was prepared a two-piece notice was mailed to all persons on the list. The two-piece notice included a Notice of Open House, printed on blue paper with a map indicating the City proposed alignment and the date, time and location of an Open House to discuss the City proposal. The second notice item was a Notice of Public Hearing detailing the SRP application, proposed routes, alternate routes and additional information relating to the 500 kV and 230 kV lines.

In addition to the mailed notice, both notice items (Notice of Open House and Notice of Public Hearing) were published in the Casa Grande Dispatch on three consecutive days (December 27<sup>th</sup>, 28<sup>th</sup> and 29<sup>th</sup>) informing the public of both the Open House and the Public Hearings.

On January 4, 2005 at 6:00 p.m. an Open House was held at the Casa Grande City Hall. Representatives of SRP, staff members of the City of Casa Grande and Casa Grande elected officials attended the Open House. Members of the public shared their comments with City staff and elected officials regarding the City proposed alignment and alternate routes. Additionally, members of the public were invited to fill out comment cards provided by the City and City staff responded to each comment card submitted. Rick will discuss the general tenor of the meeting and concerns shared by members of the public.

Attn: RICK MILLER

Re: Proposed Alternate Alignment to the Pinal West to Southeast Valley/Browning Electric Transmission Project

Mr. Miller

Fidelity National Title Agency of Pinal County, Inc. had provided the City of Casa Grande with names and addresses of all property owners within the influence area of the above project as designated on the map you provided.

The information was obtained utilizing WIN2DATA. This is a property data software developed and updated, usually monthly, by First American Real Estate Solutions. This is the software and data we have used for many years and the information provided to the City of Casa Grande for this project was provided in a manner which Fidelity's customer service department provides to any who ask.

The information provided to the City of Casa Grande for the above project was given as a courtesy and at no charge. Neither Fidelity National Title Agency of Pinal County, Inc., nor any of its employees, agents or representatives assume any liability for the accuracy or completeness of the information provided.

Should you have any questions or require anything further, please do not hesitate to contact me.

Respectfully

A handwritten signature in black ink that reads "Christopher M. Ziegler". The signature is written in a cursive, flowing style.

Christopher M. Ziegler  
assistant vice-president

# PUBLIC NOTICE OF OPEN HOUSE

City of Casa Grande

Mayor and City Council

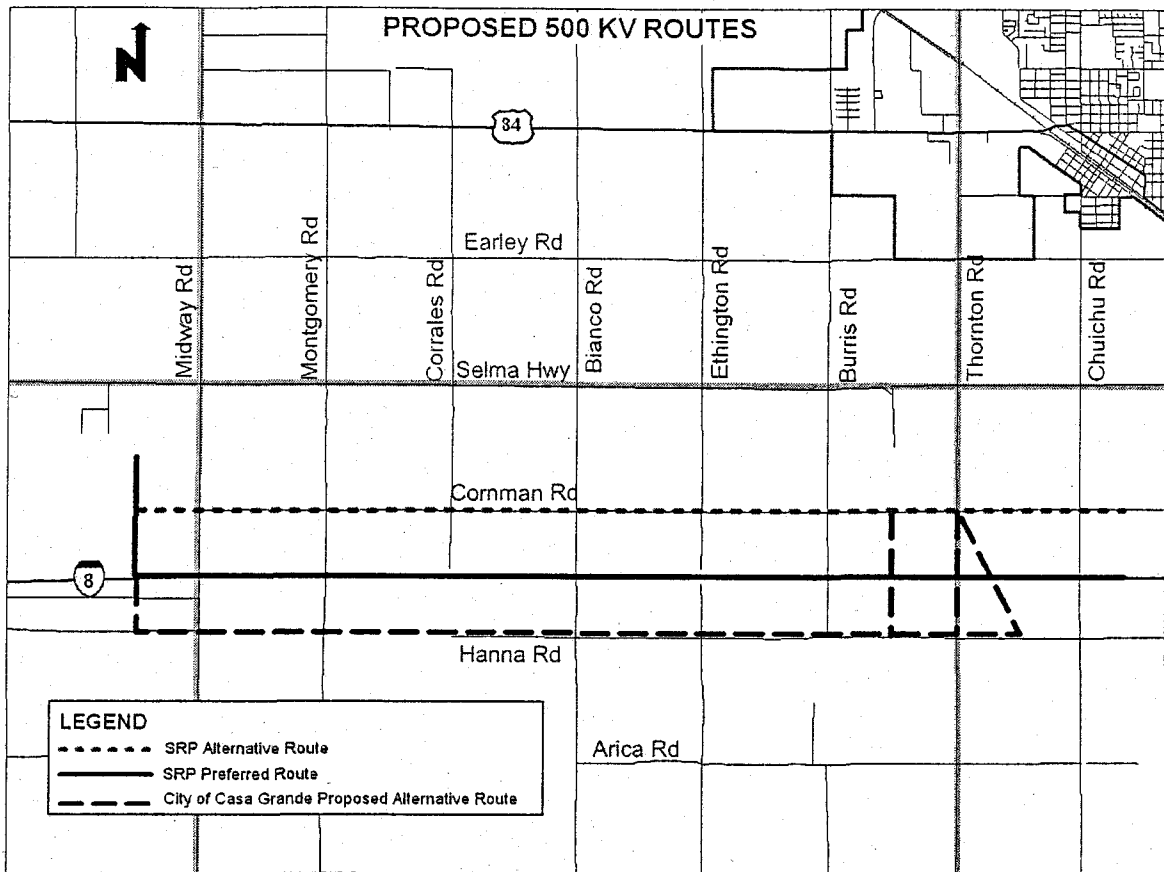

City of Casa Grande proposed alternative alignment to the Pinal West to  
Southeast Valley/Browning Electric Transmission Project

DATE: January 4, 2005  
TIME: 6 P.M.  
PLACE: City Hall/Council Chambers at 510 E. Florence Boulevard  
PURPOSE: City of Casa Grande Staff will present and discuss the City's proposed alternate alignment of the 500 kV and 230 kV line. The City is proposing an alternate alignment to the Salt River Project preferred and alternate alignments (the Application filed by SRP with the Arizona Corporation Commission requested the ability to construct the line within a ½ mile corridor of any proposed or alternate route. The alignment proposed by the City of Casa Grande is within the ½ mile corridor designated by SRP in its Application). The City proposes the following alternate alignment: From the Santa Rosa Wash the 500 kV and 230 kV line would extend south across Interstate 8 and continue south for approximately ½ mile. The 500 kV line would turn east along Hanna Road and the Hanna Road alignment to approximately Thornton Road. The line would extend north from Hanna Road along Thornton Road (or alternatively north along the mid-section line due west of Thornton Road, or alternatively north along the existing 230 KV line corridor) across Interstate 8 and join up with the SRP alternate alignment along Cornman Road at approximately the intersection of Cornman Road and Thornton Road (see map below).

*Map of Area*

**See reverse side**

This notice is being sent to you because property listed in your name is located within a half mile of the area shown. If you have an interest in the matter, either for or against, you may present your view in person at the Open House or you may write to: Planning and Development Department, City of Casa Grande, 510 E. Florence Boulevard, Casa Grande, AZ 85222, or phone the Planning and Development Department at (520) 421-8637. All interested persons are invited to attend the hearing. You might wish to inform your neighbors. Material relating to this proposal is available for review in the Planning Office between 7:30 a.m. to 5:30 p.m., Monday through Friday.

## PUBLIC NOTICE OF HEARING

For The

Pinal West to Southeast Valley/Browning Electric Transmission Project

---

### PUBLIC NOTICE OF HEARING ON THE APPLICATION FOR A CERTIFICATE OF ENVIRONMENTAL COMPATIBILITY BY SALT RIVER PROJECT AGRICULTURAL IMPROVEMENT AND POWER DISTRICT FOR THE CONSTRUCTION OF A 500kV and 230kV ELECTRIC TRANSMISSION PROJECT LOCATED IN PINAL AND MARICOPA COUNTIES, DOCKET NUMBER L00000B-04-0126

A PUBLIC HEARING WILL BE HELD before the Arizona Power Plant and Transmission Line Siting Committee ("Committee") regarding the Application of Salt River Project Agricultural Improvement and Power District, on behalf of itself and Arizona Public Service Company, Tucson Electric Power Company, Southwest Transmission Cooperatives, Inc., and Santa Cruz Water and Power Districts Association, for a Certificate of Environmental Compatibility authorizing the Pinal West to Southeast Valley/Browning Electric Transmission Project ("Project") in Maricopa and Pinal County, Arizona. The hearing will be held at the Casa Grande Holiday Inn, 777 N. Pinal Avenue, Casa Grande, Arizona, beginning on January 10, 2005 at 9:30 a.m. and continuing on January 11, 2005 at 9:30 a.m. The hearings will adjourn at approximately 5:00 p.m. Additional hearing days, if necessary, will be noticed in the Project Web site and the Arizona Corporation Commission ("ACC") Web site. The Project Web site is <http://www.azpower.org>. The ACC Web site is [www.cc.state.az.us/utility/electric/linesiting-calendar.htm](http://www.cc.state.az.us/utility/electric/linesiting-calendar.htm).

Public comment will be taken at the beginning of each hearing day. Public comment will also be taken in special evening sessions. The first evening session will be held on January 10, 2005 at the Holiday Inn in Casa Grande beginning at 6:30 p.m. Additional special evening sessions will be scheduled at a later time.

The Committee may conduct tours of the Project area, proposed route, and any route alternatives. When they become available, the time and itinerary for the tours will be available at the hearings and posted on the Project Web site. Members of the public may follow the Committee in their own private vehicles. During any tour, the Committee will not discuss or deliberate in any manner concerning the Application.

Generally the Project will be located in Pinal and Maricopa Counties and will consist of 500kV transmission lines with 230kV circuits in certain segments, plus associated new electric substations. The transmission lines will begin at the recently permitted Pinal West substation in Western Pinal County, and will end at the existing Browning Substation in East Mesa. Transmission structures will be up to 190 feet in height and will occupy a right of way width between 160 and 260 feet. Transmission structures may be located within a half-mile corridor from the centerline of the various alignments.

The Application sets forth preferred and alternative alignments. The Applicant has requested the ability to construct the 500 kV and 230 kV lines within a ½ mile corridor of the preferred or alternative alignments. The Preferred Alignment extends south from the Pinal West Substation located in Section 18, T5S, R2E near the Maricopa and Pinal County line, along the TEP Westwing - South 345kV line to Papago Road. The alignment extends east, adjacent to the paralleling Papago Road, until intersecting with Table Top Road. The alignment then parallels Table Top Road south to Mayer Boulevard. The alignment extends east along Mayer Boulevard to Harvest Hills Trail. The alignment then parallels Harvest Hills Road until its convergence with the EPNG corridor. The alignment continues southeast along the EPNG corridor to the Santa Rosa Canal. The alignment then parallels the Santa Rosa Canal until its intersection with Teel Road. The alignment extends east, paralleling Teel Road and portions of the APS Certificated Gila Bend - Santa Rosa 230kV corridor, until interconnecting with the existing Santa Rosa Substation located in Section 30, T5S, R4E. The Preferred Alignment then extends east, paralleling the existing APS and Western 230kV transmission line corridor until it intersects with the Santa Rosa Wash flood control channel. The Preferred Alignment extends south paralleling the Santa Rosa Wash until its intersection with the I-8 corridor.

The Preferred Alignment continues east along the north side of the I-8 corridor in the southern Pinal County area until extending north along Sunland Gin Road, after crossing I-10. The Preferred Alignment parallels Sunland Gin Road until its intersection with Earley Road, where the Preferred Alignment then extends east to Curry Road. At Curry Road, the Preferred Alignment loops into the potential Pinal South Substation (a new substation to be located approximately 50 acres of private land in Section 30, T6S, R8E) by proceeding east along Earley Road, extending north to the midsection, and then east to the area adjacent to the existing ED2 Substation. The portion of the Preferred Alignment will require two sets of single circuit 500kV structures to complete the loop. Upon converging with Curry Road, the Preferred Alignment extends north until it reaches the EPNG corridor just south and west of the Sundance Generating Station (Sundance). It extends east, paralleling the EPNG corridor, and then north, just west of Sundance, paralleling the existing Western Sundance-Coolidge transmission line corridor to HWY 87. The Preferred Alignment proceeds north for approximately one mile until extending east, paralleling a section line, portions of the GRIC boundary, and an existing Western 115kV transmission line to Christensen/Sierra Vista Road.

The Preferred Alignment then extends north along Christensen/Sierra Vista Road until its intersection with the UPRR. The Preferred Alignment parallels the UPRR until it converges with the Magma-Railroad. It then extends northeast, paralleling the Magma Railroad to the SEV Substation. From the SEV Substation, the Preferred Alignment extends in a northwestern direction paralleling the CAP canal until its intersection with the existing Silver King to Browning 500kV transmission line (Silver King-Browning 500kV line). Along the segment Applicant proposes a new substation, R519 (to be located on approximately 20 acres of private land in Sections 3, 4, or 10 T25 R8E). The Preferred Alignment then parallels the existing Silver King-Browning 500kV line until terminating at the Browning Substation.

The Application also sets for a number of alternative alignments, as described more fully in the Application. Additionally, intervenors have proposed alternative alignments to those proposed by the Applicant. Specifically, the City of Casa Grande is proposing the following alternative alignment: From the Santa Rosa Wash the 500 KV line would extend south across Interstate 8 and continue south for approximately ½ mile. The 500 KV line would turn east along Hanna Road and the Hanna Road alignment to approximately Thornton Road. The line would extend north from Hanna Road along Thornton Road (or alternatively north along the mid-section line due west of Thornton Road, or alternatively north along the existing 230 KV line corridor) across Interstate 8 and join up with the SRP alternate alignment along Cornman Road at approximately the intersection of Cornman Road and Thornton Road.

More complete maps, along with more detailed textual descriptions of the preferred and alternative alignments are available in the Application itself and on the Project Web site. The Application, including detailed maps of the proposed Project is on file with the Docket Control Center of the Arizona Corporation Commission, 1200 West Washington, Suite 108, Phoenix, Arizona 85007. Copies of the Application are also available for inspection of the following locations.

City of Casa Grande Public Library – 449 N. Dry Lake, Casa Grande  
City of Coolidge Public Library – 160 W. Central Avenue, Coolidge  
City of Maricopa Public Library – 44240 W. Maricopa, Maricopa  
City of Eloy Public Library – 100 East Seventh Street, Eloy  
City of Queen Creek Public Library – 22407 S. Ellsworth Road, Queen Creek  
City of Apache Junction Public Library – 1177 North Idaho Road, Apache Junction  
City of Mesa Public Library – 64 East First Street, Mesa  
City of Florence Public Library – 1000 South Willow Street, Florence

Depending on the issues raised and the number of intervenors appearing during the hearing, the Committee may deem it appropriate at some point to recess the hearing to a time and place to be announced during the hearing, or to be determined after the recess. These dates and places will be posted on the Project and ACC Web sites. At the discretion of the Committee, such resumed hearing may be held at a date, time and place designated by the Committee or its Chairman.

NOTE: NOTICE OF SUCH RESUMED HEARING WILL BE GIVEN. PUBLISHED NOTICE OF SUCH RESUMED HEARING IS NOT REQUIRED.

Each county and municipal government and state agency interested in the proposed Project and desiring to become a party to the proceeding, shall, not less than ten (10) days before the date set for hearing, file with the Director of Utilities, Arizona Corporation Commission, 1200 West Washington, Phoenix, Arizona 85007, a notice of its intent to be a party.

Any domestic, non-profit corporation or association, formed in whole or in part to promote conservation of natural beauty, to protect the environment, personal health or other biological values, to preserve historical sites, to promote consumer interest, to represent commercial or industrial groups, or to promote the orderly development of the area in which the Project is to be located and desiring to become a party to the certification proceeding, shall, not less than ten (10) days before the date set for hearing, file with the Director of Utilities, Arizona Corporation Commission, 1200 West Washington, Phoenix, Arizona 85007, a notice of its intent to be a party.

The Committee or its Chairman, at any time deemed appropriate, may make other persons parties to the proceedings.

Any person may make a limited appearance at the hearing by filing a statement in writing with the Director of Utilities, Arizona Corporation Commission, 1200 West Washington, Phoenix, Arizona 85007, not less than five (5) days before the date set for hearing. A person making a limited appearance shall not be a party or have the right to present testimony or cross-examine witnesses.

This proceeding is governed by Arizona Revised Statutes Sections 40-360.13 and Arizona Administrative Code Rules R14-3-201 to R14-3-219. The written decision of the Committee shall be submitted to the Arizona Corporation Commission pursuant to Arizona Revised Statutes Section 40-360.07. Any person intending to be a party before the Arizona Corporation Commission must be a party to the certification proceedings before the Committee.

CITY OF CASA GRANDE  
PROPOSED 500 KV ROUTE  
COMMENT SHEET

NAME: Mary Harrison-Menchaca

ADDRESS: 18668 W. Banning St, Casa Grande, AZ 85222

PHONE NUMBER: (H) 520-836-7465 (W) 520-426-4464

COMMENTS REGARDING PROPOSED ALIGNMENT: I prefer to see the 500 KV route be south of I 8 to (Hanna Rd) to 1/2 mile W of Thornton, North across I 8 to Cornman Rd.

I would not be amenable to the route going N up Thornton or following the present 238 KV lines.

CITY OF CASA GRANDE  
PLANNING DEPARTMENT

~~APPROPRIATE~~

3165 Driscoll Dr.  
San Diego, Ca 92117  
December 29, 2004

Dear Sirs:

I am opposing the alternative route the City of Casa Grande is proposing for the 500 KV and 230 KV lines as it would run the entire length of my land which is the N 1/2 NE NE of Sec 14-7S-5E 20 acres.

On Burris there are two easements for gas lines, which are underground. The unsightly, health hazzard lines would be an unwelcome infringement on my rights as a small landowner going back to the homestead of my family.

I would hope that the original path along 8 would be the choice of your City Council. Please consider this to be the path that would be the least damaging to individual owners of property and both sides of the freeway would share in this endeavor. I feel that those people owning along Hanna Rd. are being asked to bear the whole burden of this project as it affects property use and values.

Sincerely,

  
June E. Mertz, Trustee

CITY OF CASA GRANDE  
PLANNING DEPARTMENT

From Richard L. Dalton

Subj: Alignment of Pinal West to Southeast Valley/Browning Electric Transmission Project as proposed by the PZ Dept of Casa Grande

This letter is to acknowledge that I strongly oppose the alternate route as proposed by the City of Casa Grande. This route along Hanna Rd South of I-8 parallels the 5 acre property that I own. The installation of this line would greatly de-value my property. With such an installation the property would be reduced to nothing more than commercial at the best.

I would suggest that the route as proposed by SRP along Cornman Rd be accepted.

Sincerely  
Richard L. Dalton
